PROFILE

Greetings. I am Tinotenda or Richard, whichever name is comfortable for your tongue. I am 24 years old born and raised in Mutare, Zimbabwe. I am an IT Specialist as well as an aspiring junior full stack web developer although my strengths lie in the front-end development. I am black in ethnicity. I am 6 feet 1 inches and workout 6 days a week so I am athletic. I work very hard and I am dedicated to completing tasks on time, also work fairly well with others. My supporting documents are also within this document. Looking forward to new experiences and learning as much as I can!!

SKILLS

- FULL STACK WEB DEVELOPMENT
- JAVASCRIPT FRAMEWORKS
- DIGITAL MARKETING
- UI/UX DESIGN
- COMPUTER REPAIR
- NETWORK TROUBLESHOOTING
- ANALYTICAL SKILLS
- PRESENTATIONS

EXPERIENCE

InfoHoldings | IT Technician

January 2018–August 2018

As an intern my responsibilities included answering company phone calls, Wi-Fi network administration, Printer administration and servicing, Computer servicing and troubleshooting, Software installation and updates, Preparing projector and computer devices for meeting. As InfoHoldings is a data analytics company I was also tasked with Data entry, formatting, organization, verification and validation of data, data storage and backup.

Manica Boards and Doors | IT Technician and Specialist

September 2018–December 2018

As an intern my responsibilities included Answering company and IT office calls, remote IT support, Printer administration and servicing, Network administration and troubleshooting, Network cable making and management, Systems administration and error troubleshooting, Software installation and updates, Computer servicing and troubleshooting and hardware installation.

Puma Energy | Freelance Web Developer

May 2021–November 2021

As a junior developer I was responsible for creating a basic login or signup page and the landing page after logging in. The website was constructed using React and JavaScript and Firebase for Authentication, Database and Hosting.

EDUCATION

Mutare Polytechnic

From May 2015 – To March 2020

Completed National Certificate and National Diploma in Information Technology. Majoring subjects included Programming in C++, Computer Architecture and servicing, Software Design, Data Communications and Networks, Database Architecture and Concepts, Internet and Web Design, Data Structures and Algorithms using C++.

Front End Libraries

Issued August 2021 (No Expiration date)

Completed Front end libraries course on https://www.freecodecamp.org/t_mavrick. The course covers programming languages including Bootstrap, jQuery, SASS, React and Redux as well as 5 completed and verified Projects.

Data Visualization

Issued February 2022 (No Expiration date)

Completed Data Visualization course on https://www.freecodecamp.org/certification/t_mavrick/data-visualization. The course covers building charts, graphs, and maps to present different types of data with the D3.js library. You'll also learn about JSON (JavaScript Object Notation), and how to work with data online using an API.
